

# US 287 Bridge Preventative Maintenance Phases 1 & 2

## Location

US 287, with two bridges north of Eads and seven close to Springfield

- Baca and Kiowa counties
- Southeast Area Transportation Planning Region
- CDOT Region 2

## Description

Repairs nine bridges on the Ports to Plains freight corridor. The bridges are quite dated, with the oldest built in 1935.

## Cost and Funding

- \$5 million funded through SB 267
- Priority project for years 1-4 of 10-Year Strategic Project Pipeline

\* As of 09/21/21. Please see the updated financial dashboard at <https://www.codot.gov/programs/your-transportation-priorities/projects-funded> for more information.

## Urgent Need

- **Safety:** Unsafe bridges pose a risk to residents traveling by any mode.

## Project Benefits

- **Safety:** Repairing the bridges reduces the risk of potential incidents in a corridor with heavy freight vehicles.
